PRO-PELL

PRO-PELL is an all natural repellent made up of essential oils that contain the smells and tastes that rodents hate. The oils bind to the foundation and are not easily washed off. 1 gallon of finished material covers approx. one 2000sq ft home. Plugging entrance holes with steel wool may increase the effectiveness of this product. Apply to house foundations, sheds, under decks, hatchways, garage door openings and any holes where mice can enter.

Directions:

1. Mix 12 oz of concentrate with 116 oz of water.
2. **Shake well** before each use.
3. Apply with hand pump or backpack sprayer.
4. Apply with a coarse fan spray.
5. Avoid spraying vinyl siding.
6. Apply every 30 - 45 days.

Caution: Keep out of reach of children. If swallowed, immediately contact a physician for treatment advice. In the event of eye contact, gently wash out eyes with clean water for 15 minutes and immediately contact a physician. In the event of skin contact, wash with soap and water if irritation occurs contact a physician immediately.
