

An Alarm System For Termites ???

Our Eco-Monitor T-1™ Stations are.....

- Included on every **Homeowner Protection Plan** at no additional cost!
- Included on every **Carpenter Ant Program** at no additional cost!

Why Do I Need Eco-Monitor T-1™ Stations???

- Detects termites **BEFORE** they enter your home & cause costly damage.
- Termites are **VERY** secretive and often go undetected around your home.
- Research indicates that 8 out of 10 homes will have termites in their lifetime.
- Your home is your biggest investment & it warrants protection.
- Homeowner insurance does not cover termite damage.
